## A Proud Pack 824 Bridges: Advancing & Achieving

Capping off a fantastic year, our guys round up all the bling their uniforms can hold.

**Y**ou know it is a great year with motivated Cubs when you find this newsletter filled with nothing but their incredible achievements.

Everyone rushed to get in under the wire before the new program took effect... finishing up some ranks and advancements and getting those last few pesky requirements done for belt loops and pins before those become extinct.

It is exciting and inspiring to see all the hard work everyone put in.

Congratulations to all! ♦
